

SHELLA WARAMENA

PROJECT COORDINATOR & PMO SUPPORT SPECIALIST

+6285155412272 · shellawaramena@gmail.com · South Tangerang

PROFESSIONAL SUMMARY

Project coordination and PMO support professional with more than five years of experience supporting software development, digital products, educational technology, and remote project teams. Experienced in maintaining project schedules, task trackers, risk and issue logs, meeting documentation, status reports, and delivery records. Skilled in coordinating cross-functional teams, following up on action items, supporting User Acceptance Testing, and ensuring project information remains accurate and visible to stakeholders. Strong background in remote collaboration, stakeholder communication, project documentation, and operational support across international and multidisciplinary teams. Comfortable working with project-management tools, structured workflows, and multiple concurrent initiatives.
